The following statement was entered into the record for Supervisors Burke and Knabe:

“For two-and-one-half years, the Los Angeles County Department of Parks and Recreation has offered the Junior Golf Program at all County golf courses. Youth, ages eighteen and under, receive free instruction in the game of golf. It has been the Department’s goal to provide Junior Golf participants with their own golf clubs to encourage the continuation of their golf game. Over the course of this program, over 2,500 youngsters have been instructed in valuable life skills such as etiquette, integrity, honor, dedication and commitment.

“The County now has the opportunity of receiving a donation of golf clubs from the Huffy Corporation to be used in conjunction with the Junior Golf Program. As this equipment is valued at \$70,000.00, it requires the authorization of this Board to accept the equipment.”

Therefore, on motion of Supervisor Burke, seconded by Supervisor Knabe, unanimously carried, the Board accepted the donation of golf clubs from the Huffy Corporation for use and distribution to youth by the Junior Golf Program; and instructed the Executive Officer of the Board to send a letter of appreciation to the Huffy Corporation for its generous donation.
